

YOURS 2021

FINAL CALL FOR PAPERS

The **YOUng Researcher'S** Conference 2021 (**YOURS 2021**) welcomes scientific articles from young researchers, for an international conference **rescheduled** for **December 03-04th** this year.

This year's conference topics are dedicated to :

Methods, policies and technologies in in a wide range of technical sciences, materials, energy, energy efficiency, environment, industrial engineering, traffic and transportation, civil engineering, quality management and other related sciences

with special focus to

artificial intelligence, machine learning, energy management, biosystem information technology, robotics and other innovative trends

YOURS 2021 supports young researchers and their results in its broadest sense by highlighting the presentation of new trends and research in all mentioned areas and promoting innovative practices that advance academic achievements.

President of Program Committee

Prof. dr Vladimir Popović,

***Dean of the Faculty of Mechanical engineering,
University of Belgrade***

IMPORTANT INFORMATION

The applicant ***younger than 35 years*** must be the first author of the scientific paper.

Abstract should be sent to [***office@jaes-series.com***](mailto:office@jaes-series.com) no later than ***November 22***

More details are available at following link ***YOURS 2021***

Papers must be in English, free of typing errors with recommended length up to 10 pages. Every paper submitted will be considered only if the results contained in the paper are not already published or in the process of reviewing or publishing elsewhere.

Details regarding structure and format of the paper can be found at
